Golpla® Range

“Creating Innovative Solutions with Outstanding Products”

About Golpla®

Golpla® is a high quality, rigid plastic system. Designed to strengthen the surface and retain gravel or protect grass from regular vehicle or pedestrian traffic.

Golpla® is typically available ex.stock in Green for next day delivery to Mainland UK. It can also be supplied in a range of colours including Black, Grey, Buff and White or matched to any preferred RAL or Pantone colour. Any custom or made to order colour may require a minimum order quantity and may be unavailable for re-stocking.

Whether grass or gravel filled, Golpla® offers well drained, high traction erosion resistance for all types of applications.

Services and Features available:

- On site support
- Site-specific calculations and recommendation
- Rapid, reduce-dig option available
- High infiltration and SuDS compliant
- Wheelchair friendly
- 100% recycled and 100% recyclable material
- Minimal simple maintenance

Golpla® Pre-grown

Golpla® Pre-Grown offers a unique mature grass solution, with units arriving on site with grass already established in the system. This can be installed throughout the year and accessed much earlier than traditional soil and seed systems.

Golpla® Green

Golpla® Black

Golpla® Buff

Golpla® Grey
